Delete foreign objects on removal from list?

10/12/2018 09:37 PM - Alexander Blum

Status:	Erledigt	Start date:	
Priority:	Normal	Due date:	
Assignee:	Alexander Blum	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description If a webuser creates a foreign object (e.g. an artist member), saves it, edits it again and removes that created entry from the list (e.g. artist member list), the foreign object gets orphaned (but might be chosen from the source list again). Should orphaned foreign objects be deleted?

- Status changed from Neu to Vermeintlich Gelöst
- Assignee set to Alexander Blum

yes. e.g., DSGVO.

there should only be a short delay of maybe a few hours, just in case it was removed accidentally.

#2 - 10/14/2018 04:30 AM - Alexander Blum

- Status changed from Vermeintlich Gelöst to Erledigt
- % Done changed from 0 to 100

Result of discussion with meik: Also the history should be deleted.
